PRESENTATION OF 2020 BUDGET PERFORMANCE by Perm. Sec, MBEP

- The overall Budgeted spending for 2020 as of 2019 was N138b. The unfortunate events and COVID-19 shocks of 2020 prompted a revision downwards to the tune of about N99b
- Both Capital and Recurrent Expenditure, which were N85b and N52b, were revised downwards to N57b and N41b, respectively.
- Internally Generated Revenue, Statutory Allocation and Value Added Tax were slightly performing related to the revised estimates.
- Thus, in light of the slightly performing revenue, which affected expenditure performance, only up to N31b has been received as of Q3 2020. This value could as well add up to N40b if the opening balance of 2020 was added.

PRESENTATION OF 2021 PROPOSED Budget by Hon Commissioner, MBEP

- The 2021 Budget was named Budget of Economic Rejuvenation
- The proposed 2021 Budget is in the total sum of One Hundred and Thirty - Five Billion Seven Hundred and One Million, Two Hundred and Thirty-Eight Thousand Seven Hundred and Fifty-Six Naira (N 135,701,238,756) only.

- Recurrent Expenditure – 50,224,039,786 – 38%
- The 2021 Budget was prepared in line with the Federal Government Fiscal outlook for the 2021 fiscal year.

- Projected VAT increases from N12b in 2020 to N16b in 2021.
- Grants up from N15b in the 2020 revised budget to N25b because of expected SFTAS (7bn), ATASP, National Urban Water Supply and a host of others.
